

Sobel Service Day

August 6, 2014

Catholic Charities was honored to be selected by Sobel & Co. as the site for their seventh annual Day of Service. One hundred Sobel employees volunteered at two Catholic Charities sites on August 6th. They painted, weeded, and washed windows, and what a difference they made - bringing light and life to our facilities. In addition to the many hours of hard work they put in, the Sobel staff collected clothing and household items all summer to donate to our Donation Bins – so much that we needed to get a truck out to pick up the donations! And the icing on the cake was a LARGE check for \$5,000. Thank you Sobel!!!!

Catholic Charities CEO John Westervelt and Alan Sobel, Managing Partner at Sobel & Co.
