While the old adage states that "home is where the heart is" there is no substitute for a physical dwelling to provide shelter and comfort for an individual or a family. **There is NO PLACE like home** ..... a refuge for warmth, a place to rest your head and break bread with family and friends, a haven to make memories for a lifetime.

A major portion of Catholic Charities programs involve assistance in providing emergency shelter, transitional and/or permanent housing for those in need ..... in addition to the immigration services we offer that assist families in legally finding a new home in our country and the services we provide to youth in foster care who aspire to finding a stable and loving home environment.

Our 2022 Gala will celebrate all of these efforts and the importance of finding a home, coming home and being home!

We sincerely hope you are able to attend or support this event in some way, which is our premier fundraising event of the year. In addition to a variety of table options and individual tickets, there are also Commemorative Journal Ads that can be purchased to recognize any of our honorees, listed on the enclosed materials.

Additionally, we have a dedicated event website at [www.ccangala22.givesmart.com](http://www.ccangala22.givesmart.com) where you can:

- Purchase 50/50 raffle tickets @ \$50 each  
*(only 500 have been printed);*
- Bid on or purchase an array of silent auction items – including signed collectibles, tickets to shows, dinners, unique experiences, etc. and/or;
- Make a donation to support the good works of Catholic Charities

Contact Peter Ruccione directly @ 973-818-4060 or [pruccione@ccannj.org](mailto:pruccione@ccannj.org) with any questions or for any assistance. Thank you for your consideration and support.

## Help us to continue our life-saving and life enriching programs. *This past year we were able to:*

- **Assist over 48,000 individuals in 87 programs at 26 sites;**

All of this is made possible through events such as our Gala, and your ongoing support.

We would like to communicate more regularly to provide you with periodic updates on our agency's accomplishments. Sharing information more efficiently helps to reduce our expenses, and allows you to see the impact and importance of your donations.
