

## 3<sup>rd</sup> Annual Benefit Concert for the Homeless

October 10, 2020 - Chris Pinnella and his orchestra inspired and electrified the crowd at the 3<sup>rd</sup> Annual Benefit Concert for the Homeless on Sat. Oct. 10 at St Philomena's Church in Livingston.

The outdoor concert event proved to be a tremendous success – with great weather, approx. 400 people in "socially distanced" attendance, a phenomenal show, and a significant amount of funds raised to support the homeless programs of Catholic Charities.

The financial success of the show is directly attributable to our sponsors and underwriters, who were very generous with their support, for which we are most thankful!!

Please take note of many of them listed on the concert flyer below. A complete list will be posted shortly.

Our sincere thanks to Msgr. Fuhrman and the St. Philomena's community for hosting the event and providing incredible support...in addition to the Concert Committee (who helped in numerous ways with planning and executing the show), the County of Essex (for providing the mobile stage), and the Town of Livingston.
