### Multiple Departments Move to 47 Miller St. Location

The newly renovated offices at the former Miller Street School are currently being filled by various Catholic Charities programs.

Moving into the building includes the Welfare to Work training programs, including Computer Literacy, HSE/ABE, caseworkers, job coaches, S.A.I.F. and others. Updates regarding additional programs relocating will be followed up on in future newsletters.

### Refugee Program Delivers Food Pantry Items to Clients - By Jenny Castro

During the month, we received from our food pantry 20 bags full of groceries and some additional boxes to be distributed to 30 clients. Delivery was made directly to their homes.

Clients were grateful and happy for the assistance they received.

### Displaced Homemaker Program's Efforts Continue - By Armando Rivera

DHP continues to contact our clients daily to advise them of our services. To date, only one Home Health Agency is open and they are, however, operating at a reduced class size. We continue to stay in contact with that agency and those we have collaborated with in the past in order to best serve the community. DHP has also been assisting with the Refugee Program in efforts to advise clients of our continued supportive services.

#### DHP Location

2201 Bergenline Avenue  
Union City, NJ 07087  
(201) 325-4833

Monday – Friday; 8:30 a.m. – 4:30 p.m.

## Director's Corner – Rose Howard

It has been a challenging few months but WFD has stood up to the challenge with quick thinking, team work and creativity in order to continue to serve our clients. I want to take this moment to thank you all for a JOB WELL DONE!

A special thank you to our Janitorial Program who have come to work every day to ensure CCAN remains a sanitary and safe place to work! Essential Workers are heroes!!!

The Welfare to Work program has officially moved to 47 Miller Street. Computer Literacy and HSE/ABE will now be offered to county referrals and community admissions both on site and through remote learning.

Lakeisha McFarland  
Antonia Juarbe

From all of us, wishing the both of you the very best on your special day!!

## S.A.I.F. Program Diligently Assisting Clients and Experience Various Achievements

By Roy Williams

The S.A.I.F Program has been diligently assisting our client's during this current pandemic. Our ICM's have been providing our clients with exceptional case management services. We want to take this time to acknowledge and thank Tamisha Ceus, Tasha Coleman, Nicole Garner, Dion Glover, Nerlande Jean, Jessica Innocent, and Carmen Suero for all their hard work. We want to also remind the members of our team to practice self-care, and don't forget to take care of their own selves during this pandemic.

The S.A.I.F Program has undergone some new changes this month. Program Manager Theresa Bronson has moved on to pursue a different opportunity. We want to personally thank Ms. Bronson for her time spent with the S.A.I.F Program. Her professionalism was greatly appreciated, and she will be missed. Former ICM Valerie Roper has become our new Program Manager. Valerie's colleagues want to personally congratulate her on the new opportunity, and look forward to assisting her with transitioning into her new role.

We also want to congratulate our present and past colleagues on their most recent career and academic achievements. Former ICM Diane Burnett is now the Program Manager for the Essex PAC Program. Diane was one of the SAIF Program's top ICM's, and we wish her continued success. Valerie Roper obtained her Master's Degree in Social Work, Roy Williams obtained his Master of Arts degree in Clinical Mental Health, and Karina Galarza has graduated with a Bachelor's in Social Work.
